

Transcona Roofing Total Roof Management Program

Free Roof Inspections for Members:

Transcona Roofing is a proud partner of the MHA. A roof system is the first, and most effective line of defense against the elements – which here in Manitoba, can be extremely harsh. We are offering all MHA members a **free** roof inspection (a value of \$350). Our consultants will perform a systematic inspection and analysis of your roof, providing you a report with:

- A full breakdown of the layout of the roof and system
- Roof make up and insulation value
- Life expectancy estimate
- Identify any maintenance required

Maintenance Discounts:

MHA members will also receive a 10% discount off all maintenance work to be done on the roof, including permanent repairs and emergency leak seals. Our team provides all members of the MHA with 24/7 emergency leak support. Leak damage can be disastrous – that's why we aim to stop them before they start. Transcona Roofing is COR certified, and has a diverse team of consultants, project managers, experienced tradesman and safety coordinators who take pride in being more than just a roofing company.

Annual Preventative Maintenance Program:

A 10% discount will also be applied to our annual preventative maintenance programs. A preventative maintenance program is the best way to maximize the life expectancy of your roof. Our annual preventative maintenance plan allows hotel owners and managers to sleep easy, knowing the integrity of the roof system is always in good order. We offer 3-tiers of annual maintenance packages (Gold, Silver and Bronze), and our consultants can work with you to find the best fit for you hotel's needs and budget.

Please contact Sameer Ashraf at (204) 227-8225 or via email sameer@transconaroofting.ca to schedule your free inspection, maintenance quote or preventative maintenance consultation.
