

St. John Ambulance

SAVING LIVES
at work, home and play

Manitoba Hotel Association 2017 Program

St. John Ambulance is pleased to offer all members of the MHA a 10% discount off our **First Aid Training**.

St. John Ambulance is a United Nations-accredited charity. Revenue generated from our training programs supports St. John Ambulance Charitable work right here in Manitoba. Our community programs include medical first responder services, emergency response in times of disaster and major emergencies, and therapy dog services to children, the elderly and the lonely or sick. In 2015 we provided over 34,000 volunteer hours in communities across Manitoba!

Emergency First Aid with CPR Level C and AED (also known as First Aider I)

MHA Cost: \$80 1 day (8 hour course)

The primary focus is CPR Level C (adult/infant/child), AED (defibrillator), and emergency situations (ie. choking, bleeding, asthma, allergies). This course is aimed at individuals working within 30 minutes of a medical facility in low hazard work environments. This course is suitable for anyone who provides care for infants, children and/or adults, federal government employees, home care providers, coaches, spectators at any amateur sporting event, educational support staff, teachers, office or retail workers and parents.

Offered: Every day, 7 days a week in Winnipeg and weekly in Brandon

This course certifies you as a First Aider I in Manitoba for 3 years

Standard First Aid with CPR Level C and AED (also known as First Aider II)

MHA Cost \$121.50 2 day (16 hour course)

This class includes CPR Level C (adult/infant/child), AED, with more thorough coverage of First Aid situations (ie. environmental exposure, broken bones, splints). This course is aimed at individuals working more than 30 minutes from a medical facility or in higher hazard workplaces. This course is suited for industrial environments, law enforcement, fire fighters, first responders, life guards, construction, some health care workers.

Offered: 3 times a week including every weekend in Winnipeg and weekly in Brandon

This course certifies you as a First Aider II in Manitoba for 3 years

For groups of 10 or more, St. John would be happy to instruct a private course at your location.

Students who successfully complete St. John Ambulance certified training are covered by a blanket \$100,000 liability policy.

St. John Ambulance is an international humanitarian organization and is a foundation of the Order of St. John 

St. John Ambulance represents all the major **Automated External Defibrillator (AED)** manufacturers, Philips, Physio Control, Cardiac Science and Zoll. In our increasingly health and safety conscious society, placement of AED's are quickly becoming a responsible necessity for all businesses and public places. Discounts on AED's are available to MHA members.

Our Manitoba Workplace Safety & Health compliant **First Aid Kits** are always in stock in either soft or hard sided cases. Refill kits are also available, make sure yours is fully stocked today!

Please feel free to contact me if you require further information. Thank you for your support.
